

# HSC Trial Mathematics Examinations

(and Year 11 Final Examinations)

Our professionally written and formatted Examination papers mirror the rigour and format of the HSC – original, comprehensive and customisable. Meticulously prepared by experienced and current Mathematics teachers, our examination packages provide everything your school needs for effective preparation and assessment. Save hours of agonising preparation, back-and-forth consultation and avoid problematic, hastily prepared and poorly written examinations.

**White-Labelled** - present exams as your own with professional white-labelling.

- Examination papers, multiple-choice answer sheets and writing booklets are branded with your school's crest.

**Customisable** - tailored to your particular school's needs.

- We can adapt papers and specific questions to match the topics covered.
- Cover pages can include specific instructions particular to your school.
- Standard and Advanced papers can be split into booklets, based on your marking allocation.
- All papers and writing booklets can be printed with students' NESA numbers if so desired.

**Everything** you need as pdf files — just print!

- Examination papers come with complete worked solutions (including multiple-choice questions) and comprehensive marking guidelines with syllabus references and outcomes.

**Assessment, Reporting and Feedback**

- A spreadsheet can be provided that calculates marks by topic and outcome, including suggested moderation in line with recent HSC results.

**Introductory offer:** for 2026 - **HALF PRICE**

## Ordering and payment

- Email the completed order form, clearly outlining any specific adjustments required.
- We will contact you to ensure everything is completely clear.
- Your school's crest can be inserted on the paper – please attach as a pdf file.
- An invoice will be sent to your school once all the details and adjustments are finalised – please specify the preferred email address for this.
- Upon payment, all examination materials will be emailed to you in the first week of Term 3.
- The Terms and Conditions for the purchase of our exam papers are set out on the reverse of the attached Order Form.

## Other relevant points

- Examinations must be held on specified dates (TBA) and there will be a security period.
- Those dates should align with the customary Trial HSC Examination timetable observed by NSW independent schools.
- Other arrangements are possible – by negotiation.
- Extra or make-up examinations can also be purchased if required – this will need to be discussed and organised in advance.

**Note:** From 2027 we will also be providing two additional Year 11 and 12 Assessments according to our preferred scope and sequence, conforming to the new revised syllabuses, and aligning with a set of resources available for both teachers and students. Our goal is to provide a set of consistent assessments that properly prepare students for the HSC from the beginning of Year 11 (and ultimately Year 10).
